*Senator Lipner*

As a concerned person of recognized quality service within the community, your work has been an inspiration to those who desire excellence.

Instructions Experiences Exposures, Inc. (IEE) is an enrichment program dedicated to developing the intellectually gifted, often overlooked in the urban minority community. To meet the challenge and demands of a rapidly changing technological, educational and societal advances, the urban gifted child must be identified and programed for now!

To further the cause of the urban gifted child, IEE needs your expertise to give guidance as future development of this unique Saturday Class program for the takes place. You are cordially invited to become a member of the Board of Directors. The Board meets twice yearly. Monthly programatic meetings are held which are open to all Board members. Each member will receive a quarterly progress report.

Newark, with its large supply of brain power, minority brain power, is a city ripe for developing. As one who is among the vanguard for positive change, we are sure you will want to be part of this development.

I sincerely trust you will accept our invitation to be a part of the development of our intellectually gifted who will shape the world of the 21st century.

*I realize how busy you are!*
